

# School Food Service Information 2017-2018 School Year Union County TEAMS Charter

## The School Day Just Got Healthier!

You may have heard that changes are coming to the National School Lunch Program. Rest assured that school lunches will continue to include a wide variety of fruits, vegetables, and whole grain-rich foods; fat-free or low-fat milk; "right-sized" meals with portions designed for a child's age; and less saturated fat, sodium and zero trans fat. Here are some important facts about the school meals:

- The school breakfast and lunch are comprised of nutrient-dense, age-appropriate meals.
- Some highly active students, like athletes, may need more calories. Schools may offer second helpings of meal components including fruits and vegetables a-la-carte.
- School meals are required to meet the following sodium targets, which will remain in effect for the 2017-2018 School Year:

Grade	Lunch	Breakfast
K-5	≤1,230mg	≤540mg
6-8	≤1,360mg	≤600mg
9-12	≤1,420mg	≤640mg

**Whole Grain Waivers** will allow individual districts to select and replace up to five items that students find unfavorable, therefore increasing the acceptability of school meals

The **Smart Snacks in School** rules set limits on calories, fats, sugar and sodium and encourage the consumption of dairy, whole grains, protein, fruits and vegetables. No "empty calorie" foods will be offered a la carte. Please see the current year's price list on your website for pricing and selections.

For more information visit [www.fns.usda.gov/healthierschoolday](http://www.fns.usda.gov/healthierschoolday)

**Breakfast Begins:** Sept. 7, 2017
