Dear Parent/Guardian:

Welcome to the UC T.E.A.M.S. Charter School re-application process. In an effort to update our records and to determine your continued interest in enrollment for the 2012-2013 school year, you will be required to complete the attached application.

Please read and complete the enclosed application and return it as soon as possible. Be sure to review the list of required documents and submit any and all documents that were not previously provided. All supporting documentation must accompany the application in order to be considered for enrollment.

To be considered a sibling, please be sure to add the name and grade of all siblings currently enrolled in UC T.E.A.M.S. on the application. A sibling is either a brother or sister that resides in the same household with one or both parents in common.

If you have questions or require additional information, please call 908-754-9043.

Sincerely,

Enclosure
